“It’s fine for women to be pastors, as long as they aren’t taking opportunities away from men.”

“Men are naturally drawn to leadership more than women are, so its only natural to have more male senior pastors.”

“It’s probably ok for both men and women to lead a church, but I’ve never seen it before.”

We can preach texts that affirm women in ministry and leadership.

We can avoid stereotypes in our stories and illustrations.

We can quote and cite women ministry leaders.

We can preach the women of the Bible.
