Who we are

The Wesleyan Church is committed to the life-giving Christian faith that is guided by God's word, the Bible. The life of the church is Christ-centered, because the Bible's message of being made new is realized through a personal relationship with Jesus Christ. And we believe that we can be enabled to live a life of joy, hope, and love, in concert with God's character, by the power of God's Spirit working in us.

The local church is the place where believers not only meet with each other and worship God, but also reach out to their community and their world with the love of Christ. His Spirit moves us to serve a hurting world in whatever way we can, both in helping people and in sharing the freedom and hope of the gospel.

Our vision

Transforming lives, churches, and communities through the hope and holiness of Jesus Christ.

We strive to follow Christ with an awareness of our world today and with a great commitment to the needs of your family and community. Like John Wesley (our namesake, the founder of Methodism) we humbly hope to make the world a better place by exalting Christ in our lives and service.
